

**HANDS  
ACROSS THE WATER**

# RIDE TO PROVIDE THAILAND

## **WHEN IS IT?**

Rides during January each year.

## **WHAT IS IT?**

Join with 40 people from all walks of life, cycling 800km across Thailand in 8 days to raise funds for at-risk children. Ride through breathtaking scenery, vast landscapes and visit remote villages before arriving at one of our homes where you'll meet the children you've worked so hard to support.

## **WHO ARE HANDS ACROSS THE WATER?**

Founded following the 2004 Boxing Day Tsunami, we care for children in Thailand who are either abandoned, have lost their parents or are in a similar at-risk situation. We operate across seven locations and provide food, education and a loving home to more than 350 children, while supporting a further 40+ through university.

## **WHO CAN GO?**

You can! These rides are inclusive, meaning it's for both beginner and seasoned riders. The goal is not to finish first, but to finish together. Make it your own personal challenge or grab a bunch of mates and join as a team.

## **WHAT DO I NEED TO DO?**

You will need to fundraise for the ride. 100% of donations received as part of your fundraising goes directly towards the children and projects we support. Not a cent of donors money is spent on admin or overheads. Don't worry, we will support you every step of the way to help you reach your fundraising goal!
